## **Confirmation Session One: Made for God**

### Unit One: Why God asks us to find Him through Faith

1. What is one of the objections people make to believing in God?
  
  
  
  
  
  
  
  
  
  
2. If you knew with mathematical certainly that God existed would you be free to choose whether to follow Him?
  
  
  
  
  
  
  
  
  
  
3. Why / Why not?
  
  
  
  
  
  
  
  
  
  
4. How would you answer the objection in question one?

### Unit Two: We have a clue to God's Existence in the desires of the human heart

"If I find in myself desires nothing in this world can satisfy, I can only conclude that I was not made for here."  
C.S. Lewis

Explain what you think C.S. Lewis means by this statement.

### Unit Three: The existence of the moral law points us to the existence of God

1. If God does not exist which of these also cannot exist?

2. What is the problem when we do not have an 'objective reference point'?
3. For what does God's nature provide an objective reference point?
4. Describe what is meant by 'subjective morality'?
5. Can there be good or evil in a world without God?
6. How has God expressed His moral nature?
7. To what can we compare a moral action to say how good it is?
8. Why can there be no moral obligations or duties in a world without God?
9. What convinces us that the physical world is objectively real?
10. What convinces us that moral values are objectively real?
